

## **Hackathon Execution Stages and Timeline (7-weeks)**

1. **Registration Phase: (6-16 June 2024):**
  - Commencing in June, we will open registrations for participants across Karnataka state, inviting budding innovators and technologists to participate in this developmental journey.
  - Participants will have IP sharing rights with ELCIA.
  - VSD will share the details of all registered teams to ELCIA.
2. **Inauguration Call: (17 June 2024)**
  - An introductory webinar will be held by ELCIA to explain the hackathon process, engaging participants with the goals and expectations of the event. **ELCIA and VSD will provide problem statements.**
3. **Level 1 - Proposal Submission for problem statements: (18-24 June 2024)**
  - Participants will submit their proposed solutions using boards whose datasheet will be shared.
  - Solutions at this phase will have Overview, Boards & Components Required to build your application, Circuit Connection, Pinout Diagram and Table for Pin connection. An example is shown [here](#).
4. **Short-list teams for final Video submission: (25 June 2024)**
  - ELCIA, IIIT Bangalore and VSD team will short-list teams for final video submission.
5. **Level 2 - Final Solution Demo Video Submission: (26 June - 16 July 2024)**
  - This phase requires 30 short-listed teams to upload Final working code and short video of the solution. An example is shown [here](#).
6. **Top 10 Team Announcements: (17 July 2024)**
  - Highlighting the best innovations, we will announce the top 10 teams, providing them with recognition and a platform to further their aspirations.
7. **Level 3 - Physical Demonstration at IIIT Bangalore: (25 July 2024)**
  - The Top 10 teams will be invited to ELCIA tech summit for demonstration and best 3 teams will be awarded cash prizes.
8. **Prize distribution Ceremony at Tech Summit (26 July 2024)**
